

The Commonwealth in England Barristers' Association

CEBA

President: The Hon. Mrs Justice Linda Dobbs QC
Chairman: Stephen Leslie QC

The idea behind the Association was to provide its members with the opportunity of building bridges in order to link with lawyers from the Commonwealth sharing the unique characteristics, ethics and traditions of the English Bar. Not only would CEBA provide a great vehicle for keeping in touch with Commonwealth colleagues, it would also allow its members to meet and have a good party!

And there have been some great occasions in the past:
Lord Woolf, Lord Slynn, Lord Cook, The Former Attorney General of India - Shri Soli Sorabjee, Benizir Bhutto from Pakistan and The Hon. Mr. Justice Adams from Zimbabwe are just some of the MANY important speakers who have addressed our meetings and joined in with the fun afterwards.

WHY JOIN?

The purposes of the Association are genuine and straightforward: they aim to encourage a cross-flow of information, experiences and support between lawyers across the Commonwealth. Members benefit enormously from the information flowing through CEBA's contact network and the experiences of individual colleagues in the Commonwealth. Members also benefit by providing professional support and direction to colleagues in the Commonwealth.

The objectives of CEBA are drawn widely to permit ideas for future collaboration and projects to flourish. It is an extremely friendly, open association for all lawyers and BPTC students who have an interest in the Commonwealth and the English Bar. Every member is treated with the respect and dignity expected of a profession but above all its aim is to provide a happy and pleasant environment in order to facilitate and promote the objectives of the Association.
